Educators in the Workplace Lunch and Learn!

The Educators in the Workplace Lunch & Learn is an opportunity for educators and school counselors to meet with business people in the workplace setting for a two hour event. Members of various departments within the company will provide Information on the nature of the company's business and workplace culture, and specifics on ways to connect what the students learn in the classroom with what is required in the workplace. Companies will offer a tour of the workplace and arrange for question and answer sessions with representatives from various departments.

Benefits of Participating

- Learn ways to show your students relevance of what they learn in the classroom: writing skills, math, critical thinking and problem solving.
- Tour the workplace to observe operations and learn about the business.
- Hear from employers about ways to incorporate workplace expectations into the classroom.

This program is for core curriculum teachers! All others, vision, hearing and central office staff as well as higher education providers will be considered on a case-by-case basis and may participate if space is available.
