The Educators in the Workplace

Lunch & Learn is an opportunity for educators and school counselors to meet with business people in the workplace setting for a two hour event. Lunch will be provided by the company hosting the event and members of various departments within the company will provide information on the nature of the company's business and workplace culture, and specifics on ways to connect what the students learn in the classroom with what is required in the workplace. Company representatives will offer a tour of the workplace and arrange for question and answer sessions with representatives from various departments.

Please complete the registration form to reserve your place for this very worthwhile opportunity!

Please see attached list of dates and locations of our Lunch & Learn Sessions.

Registration form must be submitted by the deadline for each event noted on the calendar.

Registration will be on a first come first serve basis.
