<tr>
<td><strong>FastTrack Economic Development Fund</strong>*</td>
<td>Grant provided to local communities to reimburse a company for eligible expenditures not covered by infrastructure or job training grants. The grant can help offset expenses such as relocation of equipment, temporary office space, capital improvements and retrofitting. Only used in exceptional cases where a company's impact, such as net new full-time positions and capital investment, in a community is significant. These funds are available subject to terms of the Accountability Agreement executed by the state, community and company. TNECD is not able to provide incentives prior to the execution and approval of a contract.</td>
</tr>
<tr>
<td><strong>FastTrack Job Training Assistance Program</strong>*</td>
<td>Grant provided directly to new or expanding companies that provides funding to support the training of net new full-time employees. Funding levels are based on the number of net new full-time positions created, amount of capital invested, wages of new employees and the types of skill and knowledge levels required. TNECD is not able to provide training incentives for any positions filled prior to the execution and approval of a contract.</td>
</tr>
<tr>
<td><strong>FastTrack Infrastructure Development Program</strong>*</td>
<td>Grant provided to local governments for public infrastructure needs for new and expanding companies. TNECD will work with local officials to identify eligible needs for a project, such as water, sewer, rail, gas, electric, roadway, telecommunications or other site improvements. Must be for public infrastructure improvements benefiting a specific company generating net new full-time positions and capital investment; requires local matching funds. For onsite improvements, the community must provide a PILOT on the real property investment for at least 5 years. TNECD is not able to provide incentives prior to the execution and approval of a contract.</td>
</tr>
<tr>
<td><strong>Bonus Incentive</strong></td>
<td>At-Risk Counties: 35% premium to projects that locate in a county defined by the Appalachian Regional Commission as “at-risk”. In order to receive either premium, the project must provide an average starting wage that meets or exceeds the median county wage. TNECD reserves the discretion to approve or deny the premium based on the facts and circumstances of the project.</td>
</tr>
<tr>
